

Annual Membership Levels

The Utah Valley Chapter of the BYU Management Society offers companies the opportunities to:

- Associate their name with scholarships at BYU and UVU Business Schools
- Honor the recipients of the Pioneer in Leadership Award (PILA), and
- Develop and reward the company top performers.

The BYU Management Society brings together individual and corporate efforts to “foster moral and ethical leadership” in our community.

We invite you to join other high profile companies at the membership that provides you with the best value and return on your money.
